At the end of that period New America extended from Alaska to Panama, Greater Europe had incorporated Russia, Estonia, Latvia, and the Ukraine as separate nations, and China had come to dominate an Eastern Asiatic Federation stretching from Pakistan to the Bering Strait. All three of the major powers had commenced programs to reexpand into space at more or less the same time, and since each claimed a legitimate interest in the colony on Chiron and mistrusted the other two, each embarked on the construction of a starship with the aim of getting there first to protect its own against interference from the others..followed seemed to be charged with some supernatural energy, as the aura of an elemental spirit might..position to see any light that might leak under or around the door.. Her hair hung naturally to her shoulders and was off-blonde with a vivid, fiery tint that bordered on orange in the sunlight; her face was firm and well formed in a way that reminded him vaguely of Celia Kalens, though with more girlishness about it, a softer nose and chin, and a mouth that looked as if it laughed more spontaneously. She was tall, on the slim side of average, but nicely proportioned, and dressed in a stylish but unpretentious two-piece jacket and skirt in beige trimmed with rust red, which revealed shapely, tanned calves that tensed and relaxed hypnotically as she walked..Lechat pursed his lips for a second, and then nodded curtly. "It do it," he said simply. He averted his eyes for a moment longer, and then looked across at Celia. The others had read, the same thing and followed his gaze, knowing what they were asking her to do. Colman could see the torment in her eyes as she looked back at Lechat. She slipped an arm through his and laughed something in reply. "About as much as that." Colman said, nodding his head. "Forget it. Maybe you did me a favor." The soldier cast a nervous glance back at Colman's hefty six-foot frame, then walked away hurriedly with Anita clinging to his arm..turned upon herself..Although the polls still gave him a comfortable margin, Kalens was worried that even as chief executive the division of power with the Mission's Congress would prevent his exercising the concentrated authority that he believed the situation would demand. Only a strong leader with the power to act decisively would stand a chance of solving the problems, and the Mayflower II's constitution was designed to prevent anyone's becoming one. Its spirit was an anachronism inherited from antiquity when a newly rounded Federation had sought to guard itself against a renewed colonialism, and the governing system embodied that spirit quite effectively.
